

Rooster Tales

Vol. 25 No. 7 –Summer 2024

The Walk to Emmaus is a literal and spiritual journey to strengthen the local church through the development of Christian disciples and leaders. When I embarked on my Walk to Emmaus, little did I know that it would lead me to being requested to serve as Community Lay Director for the AZ Walk to Emmaus.

First, I thank Barbara Fike for her years of service on the AZ Walk to Emmaus Board. Barb has served as Secretary and most recently as Community Lay Director. She has done an excellent job. If you see her or if you wish, drop her a note saying "thank you".

On my Walk to Emmaus weekend, I asked, "Why am I here?" My wise Table Leader, Julie Vlieg, replied, "Maybe you are not here for you but for someone else." I have carried that thought with me since 1999. When I was asked to accept the position of Community Lay Director, that thought played a big part in my decision to say "yes." As Community Lay Director, I am not here for me, I am here for all those who went before me and all those who will come after me. I am representing the whole community of the AZ Walk to Emmaus. That is a heavy load.

This thought comes to mind, Philippians 4:13
I can do all things through Christ who strengthens me.

I cannot do this alone. I need the assistance of the entire AZ Walk to Emmaus Community. Please prayerfully consider where or how you might serve. Whether it is on a Walk to Emmaus Weekend, on the Board of Directors or through your donations, please help where you can. Also, I would like to hear from you. I welcome your thoughts and ideas about the AZ Walk to Emmaus.

Sincerely,
Marsha McClintock
Community Lay Director

Dear Friends,

I am so pleased to see walks happening again. I firmly believe that with your prayers and support, many more people in Arizona will receive the blessings of the Walk to Emmaus. It is not easy to put on a Walk. We need to discern a Lay Director, then a Spiritual Director, then Assistant Lay Directors, then team members, and all the while we are inviting pilgrims to commit to going. Your Board is making a commitment to ensure Walks take place – perhaps fewer than previously, and perhaps not as near to you as previously, but we want people in Arizona to know that Walk to Emmaus will be available for years to come.

Do you recall the last talk of your weekend? It might not have felt like a talk, because it was a bit different than the others. In it, you were asked to respond to a statement: “Christ is counting on you.” This statement didn’t have any words related to the Walk weekend. It is about our daily walk with Christ. Do people see the light of Christ shining in you? Are you inviting others to join with you on your faith journey? Christ is counting on you to share God’s love. One way to do that is to invite those in your church who have been working diligently in faith and would be rejuvenated by the Weekend. Has your pastor gone on a Walk? As a clergyperson I know many of my colleagues feel the isolation of ministry and a reminder of why we came into ministry would be reinvigorating. Have you served on a team? Let others in your church who have gone on a Walk know that you are interested. Would you like to help but don’t know how, ask others who have gone on a Walk or talk with your Board members. Christ is counting on you and will help you do whatever you do in God’s name.

It gets said many times, but still never enough; Emmaus floats on a sea of prayers. Please keep the upcoming walks in your prayers. There is much still to be done as the weekends approach, but God will carry us through. After the weekends, greet the new members of the community and invite them to get involved in their local churches alongside you. Christ is transforming the world, one person at a time. May you walk always in the light of Christ.

De Colores!

Carl Peterson,
Community Spiritual Director
