Happy Easter!

Chrysalis

Rise a new day with words from our youth. How we are inspired by our youth!

Piety:

When I attended my Chrysalis Flight, Northern CA/Nevada Flight #16, I had been going through a lot in the 8 months prior. My best friend had just died in a car accident and I totally blamed God for it. On my Chrysalis Flight, I accepted Him into my heart once again and trusted Him completely. Last July, I had an awesome opportunity to serve on Chrysalis Flight #30 in Tucson. I had never been to Tucson before that and the Chrysalis/Emmaus Community was so welcoming and loving! I was so blessed to be a part of Flight #30. It was such an awesome experience to have made lasting friendships, even though we're 9 hours apart!!
Sabrina Obert

Action:

There you are standing in front of a group of adults and peers. Your hands are shaking. Your talk is more in your head than on paper. You try to speak but your voice is soft. You try to talk, but it doesn't come out right, and then you are finished. You go out to prayer and you are held in the arms of your prayer partner and they are thanking God for you. Me, for the not very good job I did telling people my journey. Then you walk into a room and you hear the words. You will wow them. The night I gave my prodigal talk, I did not shake, the words flowed through me and I knew God used my story to glorify him and to inspire the caterpillars. I was understood, honored and humbled.

Study:

In the midst of a very difficult time in our church it was Chrysalis that gave me the strength to share my faith by leading a Bible study for people who did not like traditional Bible study. We would meet, share our week and study a passage and how it fit into our lives. I was preparing a study for people 15 to 60, or older. I was their guide to study. I would never have done that before I went to Chrysalis. It moved my heart to let people know that study and fellowship can go hand-in-hand.
Alex Poczulp

Chrysalis is a valuable part in the lives of young people. This is our hope that the community in Arizona renews their commitment to our young people as we try to restructure the program. If you have any desire to get involved in this ministry please let someone on the Walk to Emmaus Board. (see back of newsletter) Serving God is a blessing for us all. Seeing Christ in action is how we renew our faith. Loving our brothers and sisters in Christ is what we are all called to do.
