## Hello God

Hello God, I called tonight  
To talk a little while  
I need a friend who'll listen  
To my anxiety and trial.

You see, I can't quite make it  
Through a day just on my own...  
I need your love to guide me,  
So I'll never feel alone.

I want to ask you please to keep,  
My family safe and sound.  
Come and fill their lives with confi-  
dence  
For whatever fate they're bound.

Give me faith, dear God, to face  
Each hour throughout the day,  
And not to worry over things  
I can't change in any way.

I thank you God, for being home  
And listening to my call,  
For giving me such good advice  
When I stumble and fall.

Your number, God, is the only one  
That answers every time.  
I never get a busy signal,  
Never had to pay a dime.

So thank you, God, for listening  
To my troubles and my sorrow.  
Good night, God, I love You, too,  
And I'll call again tomorrow!

## Funny Puns

1. Two vultures board an airplane, each carrying two dead raccoons. The stewardess looks at them and says, "I'm sorry, gentlemen, only one carrion allowed per passenger."
2. Two fish swim into a concrete wall. The one turns to the other and says "Dam!"
3. Two Eskimos sitting in a kayak were chilly, so lit a fire in the craft. Unsurprisingly it sank, proving once again that you can't have your kayak and heat it too.
4. Two hydrogen atoms meet. One says "I've lost my electron." The other says "Are you sure?" The first replies "Yes, I'm positive."
5. Did you hear about the Buddhist who refused Novocain during a root canal? He wanted to transcend dental medication.
6. A group of chess enthusiasts checked into a hotel and were standing in the lobby discussing their recent tournament victories. After about an hour, the manager came out of the office and asked them to disperse. "But why?" they asked, as they moved off. "Because", he said, "I can't stand chessnuts boasting in an open foyer."
7. A woman has twins and gives them up for adoption. One of them goes to a family in Egypt and is named "Ahmal." The other goes to a family in Spain; they name him "Juan." Years later, Juan sends a picture of himself to his birth mother. Upon receiving the picture, she tells her husband that she wishes she also had a picture of Ahmal. Her husband responds, "They're twins! If you've seen Juan, you've seen Ahmal."
8. These friars were behind on their belfry payments, so they opened up a small florist shop to raise funds. Since everyone liked to buy flowers from the men of God, a rival florist across town thought the competition was unfair. He asked the good fathers to close down, but they would not. He went back and begged the friars to close. They ignored him. So, the rival florist hired Hugh Mac-Taggart, the roughest and most vicious thug in town to "persuade" them to close. Hugh beat up the friars and trashed their store, saying he'd be back if they didn't close up shop. Terrified, they did so, thereby proving that Hugh, and only Hugh, can prevent florist friars.
9. Mahatma Gandhi, as you know, walked barefoot most of the time, which produced an impressive set of calluses on his feet. He also ate very little, which made him rather frail and with his odd diet, he suffered from bad breath. This made him ....(Oh, man, this is so bad, it's good).....A super calloused fragile mystic hexed by halitosis.
10. And finally, there was the person who sent ten different puns to his friends, with the hope that at least one of the puns would make them laugh. No pun in ten did!
