COMMUNITY NEEDS

As you know we are going to be increasing the cost for the weekends in 2006. At the time I wrote to you about these increases, I mentioned that from time to time I would be asking for donations for specific needs that we have as a community. Right now we have 3 items on our priority list.

First of all, we need to replace the tires on the Emmaus trailer.

Secondly, we need to replace the 8 tables that we use in the Emmaus room.

We also feel that obtaining a system that would enable us to project music and support talk points with power point would be a great asset.

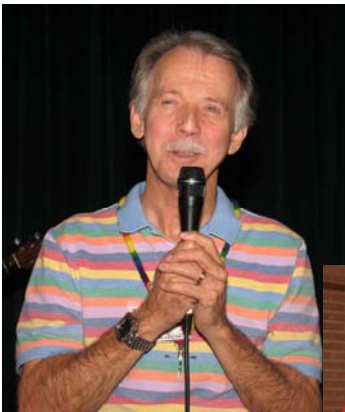

We could use your donations for these specific projects. If you designate on your check where you would like your donation to be directed, we can then purchase these items.

Thank you for your support.
