Vol. 26 No. 5 - May 2025

De Colores!

The Easter season reminds us that we are on a journey to continue the work that Jesus started. We have Walks to share with others so that they may develop their own Walk with Christ.

We are in a season of new beginnings and the AZ Walk to Emmaus is experiencing renewed growth. However, the continued growth of Arizona Walk to Emmaus still needs to be nurtured – by you. The AZ Walk to Emmaus Board of Directors is working hard to set up a more user friendly website, scour locations for future walks and improve communications, just to mention a few of the items we are working on.

The Board of Directors needs your help. As you remember the impact the Walk to Emmaus had on your life. Is there someone you know who could benefit from this wonderful experience?

See if you can help in any of the following ways:

1. Sponsor pilgrims. We are currently discerning teams for an October Walk at Red Mountain UMC, Mesa, AZ. The Men's Walk is October 9-12 and the Women's Walk is October 16-19. Applications can be found at: <https://azemmaus.org/emmaus-registration>.
We are also discerning teams for Walks at Christ Community Church in Avondale, AZ. The Men's Walk is January 29 – February 1, 2026 and the Women's Walk is February 12-15, 2026.
2. Become a member of the Emmaus Board. Elections are coming up in June. We need people to serve as Treasurer, Northern AZ Representative, and Southern AZ Representative. If your gifts include any of these areas, please reach out to any Board member.
3. Share Emmaus – with your church, neighbors, and friends. Attend Gatherings and bring friends.
4. Update your information in Ministry Manager. We use Ministry Manager as our data base. You are listed under your email address. For those who share an email address, only one of you can be loaded into Ministry Manager. If you have not done so, please set up your password and take a look at your profile. We would appreciate it if you would add your date of birth and gender. Many were entered without much information or the information may have changed. Please help us maintain accurate information so that we can stay connected with you.

To discern Team members, we are using the rosters dating back to just before Covid. If you have not served on a recent team and/or have not served since just before Covid but would like to continue to be considered to serve, please reach out to any Board member and let yourself be known. We are not intentionally ignoring anyone. We welcome all who wish to serve. Please let us hear from you.

Happy Easter Season!

De Colores,
Marsha McClintock
Community Lay Director
